MEMORANDUM FOR : Development Branch, DPD

ATTENTION :

25X1A

SUBJECT :

More Fuel

25X1D

1. P & W have on hand at their West Palm Beach facility a new fuel to their spec PWA 523. This fuel is supposed to be

25X1D

2. Can you run through the numbers to compare this PWA 523 fuel with present U-2 fuels to see if PWA 523 has an advantage in heat content.

3. If significant a test in J-75 U-2 seems indicated.

25X1A

4. Mr. Bill Brown of P & W, West Palm Beach, can get a tank car of PWA 523 off to any time you want.

25X1A
